

PRIVACY POLICY

Who are we (owners and controllers of data)?

AwadhTechnology— 13th Floor, Skyline Plaza 1, Golf City, Lucknow, Uttar Pradesh 226030

Contact Email: Info@awadhtechnology.com

At AwadhTechnology, we collect and protect user data and other personal information.

How We Use Your Personal Information At AwadhTechnology?

Your personal information has been shared with us via various sources such as applications, emails, letters, phones, SMSs, cookies, and conversations that occur when you sign up for an account at our website or mobile app. All of the personal information that we collect from you is for making your experience better with us. Whenever you sign up for our application or make a payment, your details are stored on our website and app. In your personal information, we receive information such as name, email, mobile number, payment method details, and much more.

What Are Cookies And Why Do We Use Them At AwadhTechnology?

Cookies are like the small bundles of information that are stored by a website or app on your mobile or PC. Cookies contain information such as web activity, your personal details that you provide while signing up for a new account, and transactional details. This information has been used to track and monitor your activities on our website. We use your personal information for creating promotions and making and making your experience better with us. Awadh Technology and its divisions may use cookies to track your activities on our website or app. Whatever information that we receive from you is kept anonymous and do not share them with anyone personally.

How We Secure Your Personal Information At Awadh Technology?

Awadh Technology's website and mobile app are laced with advanced security technologies such as secure socket layer (s) (SSL), firewall, and authentication system (password and personal identification

number). The secure socket layer keeps the user data encrypted and stores it securely on our servers. This security technology keeps your information safe from fraudsters and third parties.

How Does Awadh Technology Share Information With Its Affiliates?

Awadh Technology may share user information with its affiliates to fulfill its business requirements. These purposes include providing service to the customer, providing information about the new product and services to the customers, or helping with the trading activities of the company. We share the information as per the rules and regulations.

We may share your personal information with some non-affiliated companies as well. These non-affiliates assist us in providing service to you but we also maintain the confidentiality of such information to the extent they receive it and use your personal information with the aim that Awadh Technology dictates. We may also share your personal information with third parties with your consent and we declare that we never sell your personal information with anyone.

OPT Out

Users have no obligation to provide their personal information to Awadh Technology. But in case you do not submit your personal details on our app or website then in that situation, we will not be able to manage your account or facilitate any type of other services. We confirm that the information that we share with our affiliates is comprised of this policy.

If you have any queries then you can contact us via email or phone.
